Share Pebbles & Praises

With one form you can share pebbles or sing praises.

"**Pebbles**" are those small but meaningful hang-ups that get in way of your ability to do your best work.

"**Praises**" are messages of appreciation that you would like us to share in the weekly newsletter.

OB/GYN Appointments

Residents and fellows, and their partners, may call the main OB/Gyn appointment number at **(919) 684-2471** to schedule gyn care for annual exams or problem visits.

If a visit during the time frame you are seeking is not available, the caller will be transferred to the Duke Today team, who can assist with locating an available gyn appointment at an appropriate clinic location.
